

# CARDINAL STRITCH

VS

ST. FRANCIS

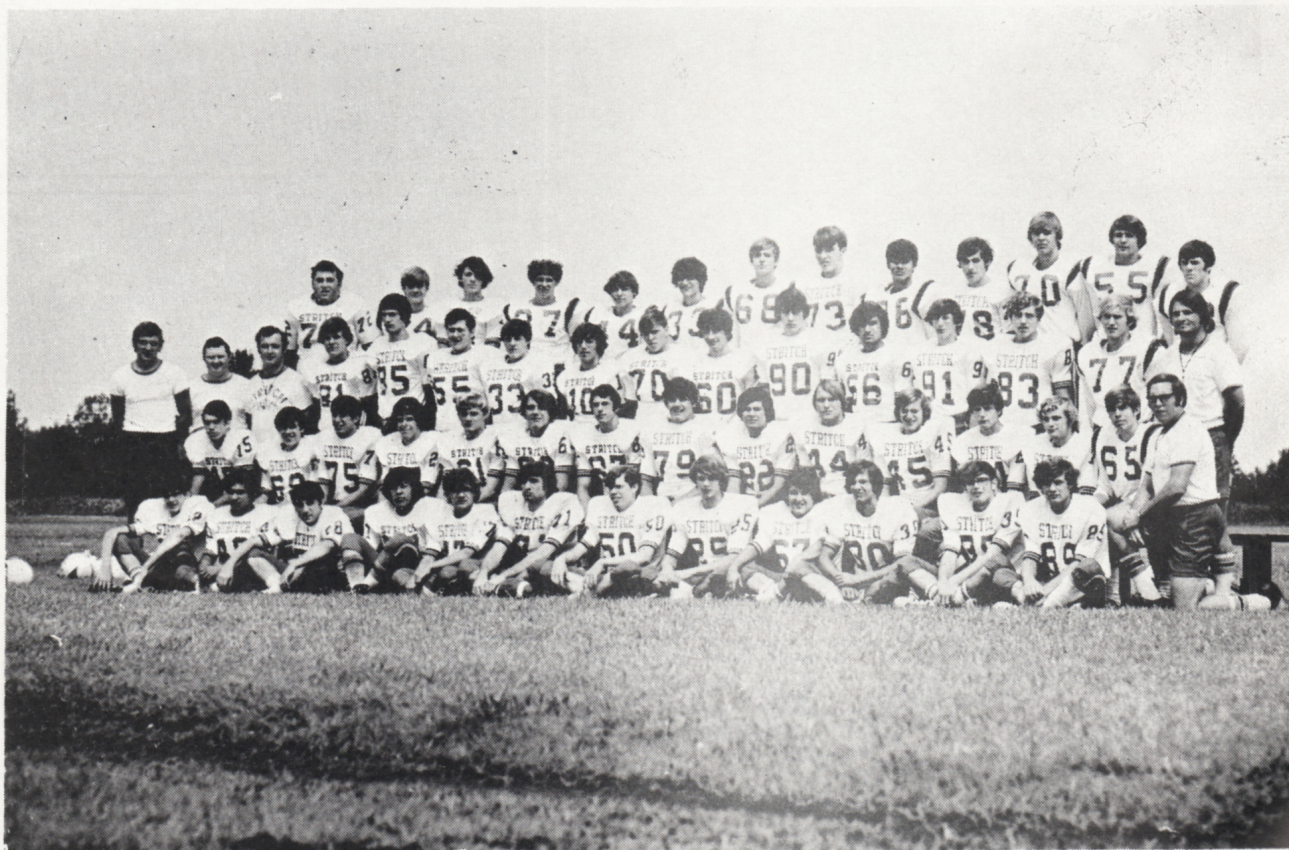

Dear Cardinal Fan,

Welcome to another exciting Cardinal football game. As you know we've grown much in Athletics in these past few years. In the last four years we have almost doubled our coaching staff, and have increased our athletic expenses considerably. We are now in the Toledo City League. All this has been done so that you and your family might enjoy today's contest more, knowing that athletics are an integral part of our total education effort.

The mighty Cardinals will again do their best to show you that football builds men at Stritch.

Thank you for coming. You are a most important part of the Stritch family.

FATHER JOHN A. THOMAS  
Principal of

**FINDLAY  
COLLEGE**

REMEMBER DAVID AND GOLIATH? Big names don't automatically mean big deeds. Findlay College, with its 1,100 students, recently won the NAIA District 22 All-Sports trophy...better than 11 other colleges in Northwestern Ohio. To win it, Findlay's athletes finished first in the Hoosier-Buckeye Collegiate Conference in football...won the NAIA District 22 Basketball Championship and competed nationally at Kansas City...sent a wrestler and track star to national meets...and held the second best season record in baseball of all NAIA colleges in the state. One player was drafted by the San Francisco Giants.

Never heard of Findlay? The pro teams have. It's a place where quality counts.

For more information write or call Mike Smythe, director of admissions, Box 1973, Findlay College, Findlay, Ohio 45840.
